“ Jack and Missy,we are so sorry to hear this about your dad. I'm not able to get around much, and I can't ride to far from home, but you guys are in my prayers. If there is any thing I can do from here please let me know. I love you both. Aunt Lyn

“ Papa Doyle, I know your dancing in the stars with Grams now. I know your both watching over your new grandson every step he's gonna take and it breaks my heart you didn't get to meet him in person. But I know that's you talking to him when he's staring off into space giggling. Things will never be the same and I'll miss so much talking to you every day. We love you and grams so much. Till we see you again some day.

“ It is hard to put in words what an awesome person Doyle is, he loved life, he is now with his loved ones who passed before him, he went way too soon, but we understand he needed to be with his love again. God Bless and comfort his family and friends at this time, and will see you on the other side my friend <3
